Dear Council, _____

I respectfully ask that you immediately remove Mali Drake Woods from all committees, boards, and groups affiliated with you. This is ONE of hundreds of examples of abuse by YOU GUYS. You brought her to town to target and attack the residents and that's what she's done. YOU GUYS caused this, not INNOCENT RESIDENTS. You are going to STOP IMMEDIATELY using nonprofits to do your dirty work and attacking residents. This chapter must close so Encinitas can begin the healing process over the last 2.5 years of nightmares.

Catherine, at this point we are willing to let you go to Senate in peace without challenging you. If you want to peacefully take this position without Encinitas rising and showing Southern California everything that's happened in Encinitas the past 2.5 years, then you must be willing to negotiate. Here's the terms I am willing to offer you guys:

1. Mali must go. There's no excuses, no exceptions, and no deviations.
2. All attacks on Encinitas residents must stop immediately. Civilians have a right to express discontent. You don't have a right to attack them nonstop – like you did to me.
3. No more poor decisions like putting those criminals next to Oakcrest. YOU guys brought them here on purpose and no reason to pretend you didn't.
4. Catherine, you leave for Sacramento but you are NOT taking Encinitas with you. If you want us to LEAVE YOUR SENATE RUN ALONE, then you must LEAVE ENCINITAS ALONE. We are no longer your steppingstone. We are no longer your special interest groups CASH COW. You focus on the SENATE and STOP every act that harms Encinitas.
5. I want Catherine to tell the public the truth about me. I didn't stalk your husband, I didn't threaten you, I didn't bully you, I didn't ANYTHING you. The only correct statement you've ever made about me is that I had a sticker on the back of my car saying "My Mayor Is An Idiot" which there's nothing wrong with that.

Southern California and perhaps America is going to find out about the FIRST HOMELESS SUCCESS STORY running for Mayor in Encinitas. I have a lot to say. I'd prefer not to discuss the horrific Nazi style treatment I have received from YOU and your NONPROFIT HATE Army. You put all of your eggs in MY BASKET and attacked me ruthlessly for being homeless. I apologized and explained to you guys at least 3 different Council meetings that I grew up on the streets. There's NO excuse for what you guys did to me and my family.

I don't expect any responses or cooperation, so Encinitas will be activating a "LET CALIFORNIA KNOW" strategy that lays out EVERYTHING that's happened in Encinitas. If you don't feel bad about anything you guys have done, then don't worry about it. If you'd like to negotiate, contact the homeless guy you've tried to destroy for the past 2.5 years. You're NOT laughing now. Out of all the people you guys could have attacked, you picked the wrong person. It clearly shows your disconnect with your #1 fake bragging points, homelessness. You fought the one person who is a BEACON for homeless and soon to be one of the most WELL KNOWN homeless in California. Only YOU guys would do this to a homeless person. Think about what you did and how many people are going to be soooo angry about this. You can fix this.

Sincerely,

Jeff Morris

Steven Golden I've had Jeff blocked from all my social media for months. Except for about

my social media for months. Except for about two days where I attempted to engage. I don't talk to him or about him. Yet of nearly every post he's made in the last two years more than 50% have been about me, degrading me, making up lies about me, posting photos of my vacations and friends. He's obsessed and an unhealthy, stalker way. I'm not the only victim. Amanda has been. Charlene, the mayor, Kelli Hinze. The list of women he targets and slanders is long. Back east people would call him what he is, a keyboard coward that should be shut up. I'm from the east coast too, Jeff talks about getting beat up as a kid. No one finds it surprising as to why that would happen.
