

## **RESOLUTION OF CENSURE OF TRUSTEE JULIE BRONSTEIN**

**WHEREAS**, SDUHSD Board Bylaws, Board Policies, and common decency require our Board Trustees to act with integrity and serve as role models; and

**WHEREAS**, SDUHSD Board By-law 9005 states that "... Board members are expected to govern responsibly and hold themselves to the highest standards of ethical conduct ...[and] Operate openly, with trust and integrity"; and

**WHEREAS**, on February 17, 2022, Trustee Julie Bronstein read an email from a community member during an SDUHSD Board Meeting within minutes after it was received and passed it off as her own analysis; and

**WHEREAS**, this email was authored by Adam Fischer, a member of a group working with the California Teachers Association that spied on parents in the district who were advocating to reopen schools; and

**WHEREAS**, Trustee Bronstein initially failed to provide this email as part of legal discovery as required when ordered by a court of law; and

**WHEREAS**, Trustee Bronstein, when confronted with evidence of her failure to provide this email, conveniently "found" the email in her private email account; and

**WHEREAS**, Trustee Bronstein attempted to cover-up her illegal and unethical behavior by claiming in a letter written to an attorney for the District that she did not open or read it, when in fact she read portions of the email, aloud, during a public board meeting; and

**WHEREAS**, Trustee Bronstein can be seen reading the email verbatim, during a recording of the board meeting, <https://youtu.be/b67qvCpvwbA>;

**WHEREAS**, Trustee Bronstein's misrepresentation of the Adam Fischer analysis as her own; her withholding of the Fischer email from her legal discovery response; and her false, written explanation to the attorney together amount to prima facie evidence that during official proceedings of the Board, Trustee Bronstein lied about this matter; and

**WHEREAS**, the evidence to confirm this illegal and unethical behavior by Trustee Bronstein is available to and accessible by the public;

**NOW THEREFORE BE IT RESOLVED**, the Board, in the strongest way possible, condemns Trustee Bronstein's illegal and immoral conduct, which reveals a shocking lack of integrity and undermines the governance of our school district.

**BE IT FURTHER RESOLVED**, the Board hereby censures Trustee Bronstein, and demands that she apologize to all District constituents and recommits to behaving ethically and legally in all matters associated with District governance.
